India Dance Directory

Brief History

This prestigious ‘**India Dance Directory**’ was made to recognize the excellence in the past year of dance.

Scope and Coverage

This directory provides information on dance types, dance professionals in India, dance academies and new events etc. It also provides information on listed choreographers, listed dancers and listed academies including the respective contact numbers and addresses. It helps in marketing and promotion of dance academies and dance professionals.

Kind of Information

This directory provides information on a variety of dance categories. Each category can be identified with a particular photo. Such as, ‘**Flamenco**’ can be identified like :

After clicking on each category, a small description about it and the names of institutions can be seen in which those dance types are taught. As for example, ‘Free running’ category shows the following result :

Free Running

Free running dance form incorporates the city and rural landscapes to perform the dance through their structures. High on acrobatic quotient, it also includes movements from Parkour (a training discipline). Parkour is a training discipline using movement that developed from military obstacle course training. Parkour includes running, climbing, swinging, vaulting, jumping, rolling, quadrupedal movement, and other movements as deemed most suitable for the situation.
