Scope and Coverage

The Indian Film Industry Directory is an effort by Talent Porte Advertising and Events Pvt Ltd to provide a comprehensive list of services required by the film industry. It also lists colleges & acting schools in Mumbai. Mainly it covers information on film producers, film technical crew, film distributors, magazines, TV channels, radio stations and so on including lists of websites.

Kind of Information

There are some main categories which include the sub categories under them. Some important categories are discussed here. Such as : '**Film technical crew**' includes sub categories like directors, editors, scriptwriters, dialogue writers, screenplay writer, sound recordists, art director, dance, choreographers, stunt directors, costume designers, music director, make-up artistes, hair dresser etc. Under each sub category, listings are done. '**Directors**' shows the following result :

Training institutes include the sub categories like training in film making, training in acting,, training in cinematography, training in video editing, training in sound engineering and theater & drama training. On the other hand, '**Photo studios**' includes still photography & videography. In all cases lists provide information on exact locations.
