Jupiter Infomedia Ltd.

Brief History

JimTrade is owned by Umesh Modi of Jupiter Infomedia Limited since 2014. Jimtrade was registered with ONLINENIC INC. on March 22, 2005. Earlier, JimTrade owners included Umesh Modi in 2014 and Umesh Modi Jupiter Infomedia Limited later that year as well as Umesh Modi in 2013 and Umesh Modi Jupiter Infomedia Limited later that year.

Scope and Coverage

JimTrade is the India's leading business-to-business (B2B) media company that facilitates global trade, with a particular focus on the Indian market, by providing information to international buyers and integrated marketing services to suppliers. JimTrade covers the complete and upto date information on Indian products and suppliers for buyers.

JimTrade allow users to browse 1,50,000+ suppliers and products information by 21 industry categories and 20000+ product sub-categories, ranging from agriculture to industrial supplies. JimTrade has thousands of registered buyers who access this information daily.

Kind of Information

This directory provides information on main four categories :

- Indian Products
- Services
- Indian Suppliers
- Trade Fairs

Under each main category, sub categories are arranged including the no. of products and no. of suppliers. As for example, '**agriculture**' gives information on its subcategories like the following:

AGRICULTURE		
Sub Categories Of Agriculture	Products	Suppliers
Agricultural Equipments	2618	560
Agricultural Products	814	437

The micro categories are arranged under each subcategory. Each micro category shows its product features, name of supplier and photo etc. as result. E.g. **Basmati rice** is the micro category of **agriculture** and it shows result like :

Home > Indian Products > Agriculture > Pulses & Grains > Rice : Aromatic Type Basmati Rice

Aromatic Type Basmati Rice

Product Category : [Rice](#) [+ Product News](#)

Key Features of Aromatic Type Basmati Rice

- Safe packaging.
- Long grain.
- Non-sticky after cooking.

[[Product Details](#)]
