It also provides information about university directory by country', job vacancies by subject and degrees, programs, courses by subject. Information about the top ranked universities & colleges in the world, including admission information, programs, bachelor's courses, master's courses, PhD programs & job vacancies are covered by this website.

Kind of Information

Information are provided in some main categories like : universities by country, schools by type, schools by subject, degrees, courses by level, jobs worldwide & courses worldwide. All the universities under a country are listed including their particular icons (national flags). "India" can be identified under Asia :

After clicking on , different kinds of directories can be seen. When a particular directory is opened, total no. of entries can be seen. A particular university is given with its logo, admission, location, contact details, courses and link of home page. Such as, Jadavpur University can be found including its link under "universities directories of India" :

A screenshot of a web page showing a directory of universities in India. At the top, it says "10685 Universities worldwide » 376 Universities in India". Below this is a navigation bar with "prev page" and "next page" buttons. The current page is "8" out of "376" total entries. There are also page numbers "1 9 10 ... 17 18 19". Below the navigation bar, there is a legend for symbols: a green dot for "online", a yellow dot for "possibly not online", an orange dot for "status uncertain", a red dot for "possible broken link", and a blue dot for "Url not found". There are also links for "Index", "Status", "Institution", "Job vacancies", and "Courses, Degrees". At the bottom, there is a listing for "141 • Jadavpur University" in Kolkata, India, with a link to "Courses".
