Submit Application: [Apply Online Now](#)

Hospitals of some important countries are given here separately with the headings like: US hospitals, UK hospitals, Canada hospitals, Australia hospitals and India hospitals. Under each of them different categories are given including the total number of hospitals of that category. Such as :

Canada - General Hospitals List

Categories:

- [General Hospitals \(740\)](#)
- [Mulispeciality Hospitals \(1124\)](#)
- [Dental Hospitals \(1\)](#)
- [Children Hospitals \(33\)](#)

After clicking on a category, it shows the list of hospitals including their detail under each country or each geographical territory. E.g. Australia - neurology hospitals list

gives result like :

Name	Type	Details	Website
Your Advertisement here			
Your Advertisement here			
Your Advertisement here			
No logo Alzheimer's Australia - Canberra - Australian Capital Territory	Neurology Hospitals	Details	Browse
No logo Alzheimer's Australia NSW - Sydney - New South Wales	Neurology Hospitals	Details	Browse

Other hospitals are also provided under their respective continents. As for example, Asia is one of the continents. Under south Asia, India is its sub continent which shows a lot of categories. 'Maternity Hospitals' category gives result as follows:

Name	Type	Details	Website
Your Advertisement here			
Your Advertisement here			
Your Advertisement here			
No logo Aga Khan Maternal and Child Care Centre, Hyderabad, Andhra Pradesh	Maternity Hospitals	Details	Browse
No logo Deepam Hospital Private Limited - Chennai - Tamil Nadu	Maternity Hospitals	Details	Browse
No logo Fortis La Femme - Delhi - Delhi	Maternity Hospitals	Details	Browse

Details of each hospital with its map can be seen by clicking on 'details'. Other options are also given simultaneously. Some of those regarding to visit website, to enquiry, to view large map, to save listing, to print, to add review, to view reviews and so on. Detail of Fortis La Femme is given below as example :

Fortis La Femme
