<p>Remarks</p>	<p>The <i>Oxford research encyclopedias of Religion</i> are supported by the world’s leading scientists, researchers, experts and scholars in the discipline. Articles are commissioned by Oxford’s senior reference editors and vetted by editorial boards of international experts.</p> <p>The goal of this encyclopedia is to create a high-level, ever-evolving, up-to-date research encyclopedia that would support research in the online environment. The Oxford Research Encyclopedia will provide students and scholars with vetted, reliable, historiographically-informed and regularly updated online overview essays, enhanced with a wide array of non-textual materials. It will evolve as the discipline evolves, and will, in the long term, reach an unparalleled level of comprehensiveness. We hope that this will become the go-to resource for scholars and students of religion, and will serve as a new model for scholarly reference in the digital age.</p>
