Snowfall in Jammu and Kashmir suspends traffic at Srinagar Airport

Snowfall In Jammu And Kashmir Suspends Traffic At Srinagar Airport

25 January 2017 02:14 PM

After continuous snowfall over the hilly state of **Jammu and Kashmir**, the air traffic at the Srinagar Airport has been disrupted. All the flights are suspended since yesterday evening due to bad weather.

As per the director of Airports Authority of India (AAI) Sharad Kumar, no flight operations took place at Srinagar airport today because of the bad weather. He said that both the incoming and outgoing flights were cancelled thanks to the

Special Features

- ❖ Links to <http://www.coxandkings.com/>.
