#### *Experience Australia's Amazing Wildlife Up Close*

Want to walk on the wild side on your next holiday? Then book a trip to Australia and marvel at the country's diverse wildlife. Its mountain ranges, tropical rainforests, beaches, and isolated islands are home to some of the world's most amazing creatures. When planning your itinerary, take a look at this list see for yourself why Australia is a dream destination.

#### **Walk with kangaroos at Kangaroo Island in South Australia**

*Photo credit: sg.southaustralia.com*

One of the first things you'll think of when you hear Australia is the kangaroo. After all, it's the country's national animal. For a truly unique experience, walk with this fascinating marsupial at Kangaroo Island. This island is located in South Australia and provides a secluded home for the endemic kangaroo. As you trek across the island's parks and reserves, you're sure to encounter a roo or two. If you're lucky, you'll get to see mom and pop

### ***Special Features***

- ❖ For retrieving the posts date wise, blogs archive is presented in the site.
- ❖ Links to <http://www.nationalgeographic.com/travel/>.

### ***Arrangement Pattern***

Entries are arranged haphazardly and posts, under the entries, are arranged according to date.

### ***Remarks***

This is mainly a blogger site. Bloggers are the contributors of this site. Short description of travelling experience with photos is posted by the administrative unit after collection of experience. Author's recognition is also attached with every post

to make the site reliable.
