Govt. of W.B

Scope and Coverage

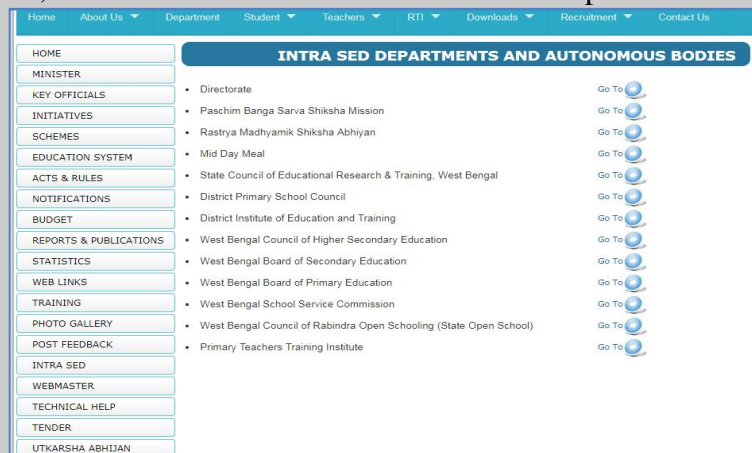

The School Education Department is responsible for implementation of West Bengal government's vision and mission in primary, secondary and higher secondary education. The department as the nodal body has nine distinct entities which look

after various aspects of school education for the state. Some of the entities have specific tasks like conducting examination, text book/curriculum preparation (boards and councils), inspection (inspectorate), recruitment of teachers/staff (service commission), execution of projects and schemes (project office), preparation of teaching/training/research material (state council of education and research). All the entities also have the regular budgeting, auditing, recognition/affiliation/up-gradation of schools, legal affairs and other employee related HR activities.

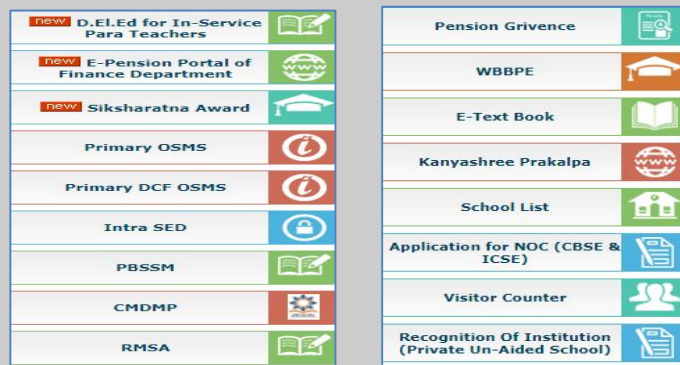

Kind of Information

The School education Dept. offers to know about minister of school education, key officials, different initiatives, schemes of govt., education system, acts & rules of education, different notifications of govt. related to the schools, budgets, reports & publications, statistics, training information etc. After selecting a particular from the list, users can get information according to their need.
