Scope and Coverage

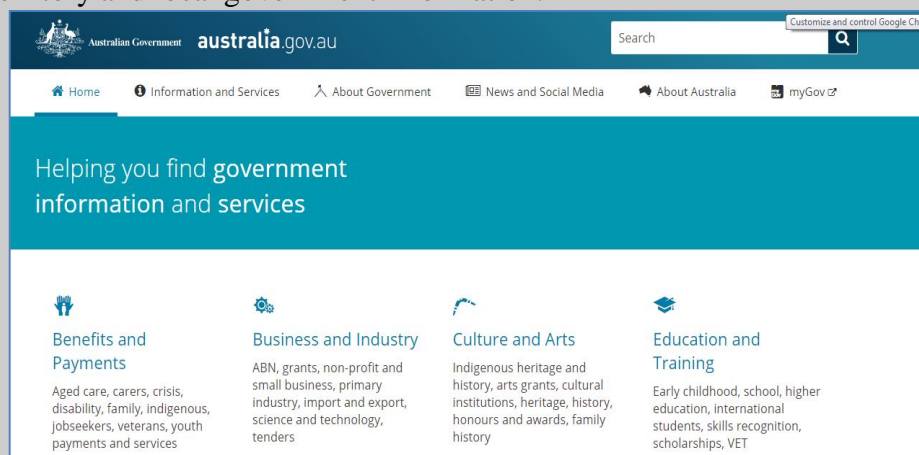

Gov.au is a listing of websites for governments in Australia. It covers Australian Government, State and territory governments, and Local government of Australia and how to access their websites.

Kind of Information

There are several of websites that are given here under three main categories that are mentioned in the scope and coverage. Each of the categories is presented with sub-categories and a brief description in supporting each category & sub-category. They are described below.

Australian Government: This category contains links to three websites. They are australia.gov.au, business.gov.au, and my.gov.au. Visitors can easily go to a particular website through this.

Such as..... After selecting **Australia.gov.au**, it is seen that it is an entry point for people to find Australian Government information. Also includes links to popular state, territory and local government information.

State and territory governments: The State and territory governments gives opportunity to know about the govt. of New South Wales, Queensland, Western Australia, Northern Territory, Victoria, South Australia, Tasmania and Australian Capital Territory. Link is provided to go to the home page of the website.

Local government: Visitors can also get local information from here. State local government directories provide links to local council sites:

- New South Wales local government directory
- Northern Territory local government directory
- Queensland local government directory

- South Australia local government directory
- Tasmania local government directory
- Victoria local government directory
- Western Australia local government directory

Arrangement Pattern Websites under Australian Govt. is arranged alphabetically.

No such arrangement is found under other categories.

Remarks

Gov.au provides a single entry point to government in Australia.

Comparable Tools

- Australia.gov.au (<http://www.australia.gov.au/>)
