Scope and Coverage

ImagesBazaar provides creative professionals all over the globe with an imperative resource for searching, purchasing and downloading Indian images. At present, over 7000 clients in more than 45 countries are using images from ImagesBazaar for their advertising and marketing communication.

Kind of Information

ImagesBazaar was launched with a burning desire to create the World's largest collection of creative images with Indian faces.

All the images on ImagesBazaar are indicative of the innate expressions of deep-rooted feelings of individuals through which spring their day-to-day actions, postures and expressions. Indians believe in sharing happiness and sorrow together as a community. While doing so, Indians share unique mannerisms and expressions which are captured in ImagesBazaar's extensive library of creative imagery.

ImagesBazaar offers an immense advantage with its vast database of images that are reflective of India, making them available in the most accessible way. From contemporary Indian imagery to the broadest range of categories depicting Indians in virtually all walks of life, age groups and expressions - visitors will find it all here.

Image categories as for example from ImagesBazaar's site,

Special Features

- ❖ Over 1.5 Million creative images & videos with Indian faces
- ❖ One of the fastest & most user friendly image search engines in the World
- ❖ All images are colour corrected and retouched as per international standards
- ❖ ImagesBazaar is the first Indian company in the world to employ full time creative researchers for studying market trends and consumer needs. This ensures that the images produced are not just exceptional in quality but also extremely relevant.

- ❖ Any image from ImagesBazaar can be available for purchasing in different price. These prices are based on type, resolution, dimension and size of the images.

Image Type	Resolution	Dimension (Pixels)	Size (Inches)	Price (Rs.)*	Discount	Net Price (Rs)*	File Format
● WEB**	72DPI	504 x 756	For Web Use only	3100	10%	2790	JPEG
