Special Features

- ❖ There is a separate section for the recently added newspapers.

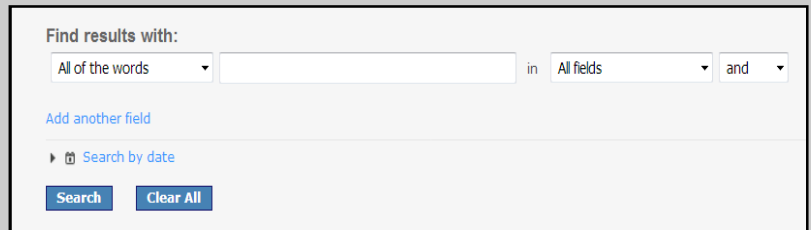

- ❖ There is a simple search bar and also some advanced search options are available to search the collections.

The screenshot shows a simple search interface. It features a text input field with the word "Search" to its left. To the right of the input field is a blue button labeled "Search" and a link labeled "Advanced Search".

Simple search bar

The screenshot shows an advanced search interface. It starts with the text "Find results with:" followed by a dropdown menu set to "All of the words", an empty text input field, the word "in", another dropdown menu set to "All fields", and a dropdown menu set to "and". Below this, there is a link "Add another field" and a link "Search by date" with a calendar icon. At the bottom, there are two buttons: "Search" and "Clear All".

Advanced search bar

- ❖ In the left side of the home page there is a window with a provision for scrolling all the newspaper front pages. If users want to see, just need to click on any of the titles.
