Publisher

Datanet India Pvt. Ltd.

Brief History

Datanet India was established as an IT-enabled private limited company in February 2000 to render its services in the socio-economic information domain. Its first web site www.Indiastat.com was launched on 14th November 2000. This WestBengalstat was started as an associate of www.Indiastat.com.

Scope and Coverage

It provides information on 19 districts, 341 sub-districts, 909 towns, 40203 villages and 341 CD blocks. It explores West Bengal with 20 various types of statistical data. Socio economic news and important announcements and events can also be known.

Kind of Information

Different categories are listed here with small icons and brief description including their sub categories also. Such as:

The screenshot shows two main categories: HEALTH and HOUSING. The HEALTH category is highlighted in pink and includes a description: "Section caters to comprehensive data on Diseases, Immunization, Nutrition, Vital statistics, Disabled Population, Health Infrastructure and Manpower...." Below this, a list of sub-categories is provided: Disabled Population | Diseases | Family Welfare | Health and Family Welfare Projects | Health Education | Health Infrastructure | Health Man Power | Immunization | National Family Health Surveys (NFHS) | Nutrition | Social Consumption on Health | Vital Statistics |. The HOUSING category is highlighted in blue and includes a description: "Housing data by type of household pertaining to occupancy, availability of drinking water, sanitation, fuel used for cooking, electricity, housing projects and construction...." A "More" link is visible at the bottom right of the HOUSING section.

It gives idea on current estimated population of India, West Bengal and world. Such as:

The screenshot shows a table titled "ESTIMATED POPULATION" with a clock icon and the date "Wednesday, April 05, 2017". The table lists the population for West Bengal, India, and the World.

Region	Population
West Bengal	97,306,054
India	1,332,375,433
World	7,512,329,496

(Estimated as of now)

India's key economic indicators are listed in tabular format as shown below:

The screenshot shows a table titled "INDIA'S KEY - ECONOMIC INDICATORS" with a bar chart icon. The table lists various economic indicators and their current and year-ago values.

Indicator	Current	Yr. Ago
Inflation		
All Comm.	6.55	0.85
